- Representation and support in local and international arbitration courts.
- Control, representation and participation in the enforcement of decisions of judicial and arbitration bodies on the territory of the Republic of Uzbekistan.
- Support of enforcement proceedings.

III. TYPES OF LEGAL SERVICES

Компания «CERBERUS LEGAL» предлагает несколько вариантов юридического сопровождения, а именно:

§ 1. Full legal support (subscription services (outsourcing))

- Consulting orally and in writing in the field of civil, tax, labor, land, corporate and other areas of law.
- Draft contracts and legal documents, support of enterprise transactions, participation in negotiations.
- Legal analysis of company documents for compliance with current legislation.
- Claims work and pre-trial dispute resolution.
- Analysis and development of internal legal documentation.
- Appealing decisions and actions of regulatory and registration authorities, bailiffs.
- Representation of your rights and legitimate interests in courts of general jurisdiction and arbitration courts of all instances, government bodies and public organizations.
- Support of enforcement proceedings.
- Collection of debts, damages, insurance payments.
- VAT return and refund, appealing decisions of tax authorities.
- Support of insolvency procedures.
- Other types of legal services.

Advantages of concluding an agreement for full legal support:

- Monthly fixed fee for a whole range of legal services.
- Continuity and efficiency in the provision of legal services (all means of communication are used in the work: telephone, e-mail, fax, courier delivery).
- No associated costs for maintaining the legal department: sick pay, vacations, costs for stationery, office equipment, premises, etc.
- No need to pay income tax and make contributions to the social fund for individuals (in-house lawyers).
- Profitability (the cost of subscription services is significantly less than the average salary of a full-time lawyer).

§ 2. One-time legal services

- Providing legal services, at the company's oral or written request, with the calculation of payment to employees of «CERBERUS LEGAL» at an hourly rate.
- Providing legal and advisory services on a specific project, task and scope of work, excluding full legal support of the company's activities.

§ 3. Urgent legal support

- This service is designed to resolve legal issues that have arisen as soon as possible, and if there is an urgent need.
- Upon receipt of your application, you will receive full legal advice arranged on a priority basis.
